WELCOME

Bay Section Chapter Advisers,

The Bay Section Executive Board and the Homestead FBLA Officer Team are working hard to make this year a memorable experience for you and your chapter members! The 2023-2024 California competitive event guidelines will be in effect for all section level competitive events. Please check out the latest competitive events guidelines on our state website, cafbla.org.

Please work with your members to ensure they know conference protocols, adhere to the FBLA National Dress Code, and treat themselves, their fellow members, and all equipment and facilities with care and respect. Should you have any questions or concerns, please reach out to me ASAP so they can be addressed.

Once again, this year's BSLC will be utilizing Online Testing for all Objective Tests. It is expected that all devices for taking tests will be provided by Homestead High School. The final Conference Schedule will be posted and emailed to registered Chapter Advisers the week of the event. As was the case in past years, Online Testing will be spread out over several testing sessions that will go on through most of the morning, and the early afternoon. This will ensure all competitors get a chance to complete their specific events and get time to have lunch.

Please encourage your members to realize their leadership potential by running for a Bay Section Office. This truly is a great opportunity for them to gain valuable leadership skills and to network with members and officers from throughout the section and state. The Bay Section Officer Candidate Guide and Application can be found [here](#), under Leadership Resources. Also, be sure to select two members as voting delegates for the Bay Section Officer's caucus and election during the afternoon of the conference.

We encourage you to come and experience the thrill of competition and workshops. Please try to encourage all of your members to compete and/or to participate in the numerous workshops we have prepared for them. We are looking forward to seeing you at Homestead High School on February 10!

Sincerely,

Graeme Logie
Bay Section Director
