WELCOME

We are working hard to make this year an experience you won't forget! Our theme at CSLC this year is "Stay Rooted". The 2024-2025 California competitive event guidelines will be in effect. Please check out the latest competitive events guidelines on our state website, cafbla.org > Competitions > Guidelines.

Once again, this year's CSLC will be utilizing Online Testing for all Objective Tests. **This year we will continue the requirement that all competitors participating in online Objective Tests will need to bring their own device with them to take their online test(s).** Please prepare your members for this so they are ready to go upon arrival at the conference. The final Conference Schedule will be posted the week of the event. As was the case in past years, these Online Testing sessions will be spread out throughout the day to ensure all competitors get a chance to complete their specific events.

Please encourage your members to realize their leadership potential by running for a Central Section Office. This truly is a great opportunity for them to gain valuable leadership skills and to network with members and officers from throughout the section and state. The Central Section Officer Candidate Guide and Application can be found [here](#). Also, be sure to select two members as voting delegates for the section officer's election the day of the section conference.

We encourage you to come and experience the thrill of competition and workshops. Please try to encourage all of your members to compete or to participate in the numerous workshops we have prepared for you. We are looking forward to seeing you in February!

Sincerely,

Jacob Avila
Central Section FBLA, Director

ONLINE TESTING INFORMATION

GENERAL INFORMATION

All Objective Test Competitive Events will continue to utilize devices that each member is responsible for bringing with them the CSLC. The members device must be charged and able to access the internet on the day of the event. This continued this year due to most schools being 1:1 on devices after last school year. Please prepare your students for this transition and have them check their devices well in advance to ensure they are functional and able to work the day of the Conference.

Using online testing will once again allow for a smoother transition to the State Leadership Conference (SLC) as Online Testing should be implemented at SLC as well.

Members will login to their assigned computer under the direction of the Adviser Proctors and Administrators and complete the exam in the one-hour time slot provided.

Reminder of a 2024-2025 competitive events change: Aligning with national guidelines, team objective testing will **no longer be collaborative** at the section and state levels. Members will take these test individually, then the team score will be the average of all tests taken.

TESTING SESSIONS

Members will be assigned to groups by competitive event and school. Members from the same chapter **MUST** take the specific competitive event during the same session. The Online Testing schedule will be prepared ahead of the conference to help members and advisers the day of the event. Members must test during their assigned time as listed on their nametag and emailed to Advisers the week of the Conference.

CONFLICTS

Members who are in a Performance Event along with an Objective Test Event need to be aware that accommodations will be made to allow members to compete in both events. Scheduling will be difficult with the continued use of Online Testing. Members will be assigned sessions; all information will be found on their nametag and on the final conference program.

Performance or Interview Events take precedent over Objective Testing, competitors will need to plan these accordingly with their advisers the week of the event when schedules are sent out.

ONLINE REGISTRATION INFO (ADVISERS ONLY)

Once you have a given student registered under “ATTENDEES”, you will be able to assign events to them under “COMPETITIONS”. In the Competitions module, you have the option to enter students in events either BY EVENT or BY ATTENDEE (toggle top right).
