## DECISION TO APPLY FOR OFFICE

Future Business Leaders of America is recognized by the CA Department of Education as a **Career Technical Student Organization (CTSO)**. The term Career Technical Student Organization is defined as an organization for individuals enrolled in a Career Technical Education program that engages in career and technical education activities as an integral part of the instructional program.

CTSO's provide students in Career Technical Education programs with carefully structured leadership development opportunities, career skills, opportunities to participate in competitive career related events, and community service opportunities.

Serving as an FBLA national, state or section officer is one of the ultimate achievements a member can attain. The planning, organizing, and execution of a national, state or section officer campaign is a valuable leadership experience. The decision to run for office should be taken very seriously and the candidate must be aware of the personal time commitment.

Carefully review the *entire* guide before finalizing your decision to apply for office to ensure that all eligibility requirements have been met and that the commitments required of a state or section officer can be met.

Before the application process begins, it is critical for the potential candidate to take an honest personal inventory and thoroughly evaluate whether s/he has the time, resources, support, capabilities, attitude, and commitment to prepare an effective campaign and serve as a national, state or section officer.
