Gold Coast Section Officer Local Chapter Adviser Guidelines

We appreciate your support in running a candidate for office. You play a key role in developing our officer candidates. In fact, your student is most likely enthusiastic about leading our organization because of the encouragement they received from you. However, having an officer also requires the commitment and dedication of the local adviser. Please review the following and sign the form below to indicate you are aware of your adviser responsibilities in sponsoring an officer candidate:

1. I agree to run only candidates that I feel have the character and maturity to lead CA FBLA as an officer. I also pledge to encourage our CA FBLA chapter to fully support our officer during his/her term in office. I have discussed the Gold Coast Section Officer Responsibilities with my candidate and feel confident that they are capable of successfully performing all the required tasks.
2. I agree that if my student is elected to an officer position, we will review the officer schedule frequently and I will strongly recommend that he/she make CA FBLA activities a top priority. We have reviewed the Gold Coast Section Officer Calendar, and he/she understands that failure to attend required meetings may result in removal from office.
3. I will communicate in a timely manner with the Section Director to help my student fulfill his/her officer duties.
4. I will assist my student in meeting all deadlines in a timely manner.
5. I will discuss travel arrangements with my officer and travel with him/her as required. I understand CA FBLA will pay the expenses for me and my officer to attend all required events. I understand the school is responsible for covering the costs of any additional chaperones due to district travel policies.
6. I understand that parents may not replace me as a chaperone

We appreciate the valuable role CA FBLA advisers have in forming our Gold Coast Section officer team. The future success of CA FBLA depends upon your ability to recognize leadership skills in your students. Thank you for your support!
