

# LOCAL COMMUNITY FUNDRAISING CHAPTER PROJECT

**DEADLINE: March 15**

**SUBMIT BY 5 PM**

Serving the community is one of FBLA's most important activities. Giving back to those around us is incredibly important and lead to bonds that will last a lifetime. The Local Community Fundraising Chapter Project will aid society around you by raising money for what matters most.

The chapter must first decide what organization the fundraiser will support. The state recommends supporting the [Alzheimer's Association](#), but other organizations such as [March of Dimes](#) or local non-profit organizations will work, as well.

| ACTIVITY                                                                              | DESCRIPTION                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
